

Volunteer Opportunities

Do You Need to Fulfill Community Service Hours?

There are three main ways to do this:

1. You can volunteer at one of our ten weekly outreaches! Unless you are coming with a group, there is no need to sign up ahead of time. Please see the section on our website labeled “OUTREACHES” for more information on what this means. After you complete the community service hours you need, please call the office and set up a time to come in for your letterhead, or to get the necessary paperwork signed for your completed community service hours.
2. You can volunteer at our main building! This would need to be cleared by our office staff prior to coming in, so please call ahead if you are interested in this option. The volunteer work at our main site varies from day to day, so be prepared for lifting, sorting, cleaning, etc.
3. You can host a clothing and food drive! One way this works is by reaching out to friends and family via social media, encouraging them to go through their clothing and food, or even going to the store for new items, to be donated. Once you have collected everything, you would then bring the bags here to our main location in Bellport. Every one kitchen size bag of clothing is equivalent to one hour of community service, and every two grocery bags of food is equivalent to one hour of community service. Please call the office ahead of time to set up a time to drop off the donations and get any paperwork signed/printed.
